

# **CHRONIC HOMELESSNESS** **TRAINING SERIES**

In 2010, Opening Doors established a national goal of finishing the job of ending Chronic Homelessness in America by 2015. Since its inception, under Community Action Pioneer Valley in 2018, The Three County Continuum of Care has strived to continue the mission of ending Homelessness in the Three County area. As providers and community partners, the COC counts on you to assist those we serve in documenting and making referrals in HMIS. In this 2-part training series, we will review identifying and documenting Chronic Homelessness, as well as documenting, reporting and making referrals in HMIS.
